

Two Open Community Meetings

hosted by Mark Rauterkus (Mark@Rauterkus.com)

**are scheduled concerning the
closed, city-owned, ice skating facility within
South Side Park (behind UPMC South Side
Hospital), once called Neville Ice Rink.**

We'll talk about the city's RFP (request for proposals) on its website that has a mid-May, 2007 deadline.

If nothing else, we've got to generate significant political will among citizens and neighbors to insure that the city make good on its offer for re-use of the space should good and responsible submissions be delivered. The re-use should include strong recreational efforts.

First Open Meeting:

7 pm on Tuesday, April 17, at Phillips Elementary School on Sarah Street

Second Open Web / Phone Conference:

9 pm on Thursday, April 19 at <http://www.TalkShoe.com>.

To join the live phone call conference, call: (724) 444-7444 - Talkcast ID: 3177

Surf to <http://www.TalkShoe.com> and "sign up" for a TalkShoe "PIN" (personal identification number) before the session. It is easy and free. Then you can join the conversation with only a telephone call.

Questions, insights and tips about getting onto the agenda, please call or email Mark Rauterkus,
Mark@Rauterkus.com, 412 298 3432 = cell.
