Newsletter

No. 1 Released on Dasara 6th Oct. 2011

Dear friends,

Many best wishes for Dasara.

At PRINCE we decided to publish regular news letter to update members and friends. To save time of members, the newsletter will be kept brief and detailed information will be maintained on website. In case you do not want to receive the newsletter just post one line reply, we will remove you from the mailing list.

With Best Wishes,

PRINCE Suman Foundation, Team

PRINCE, Suman Foundation & Prof. Ajay Chandak won ‘Energy Conservation Awards’ from Government of Maharashtra

MEDA has recently announced results of state level energy conservation awards. ‘PRINCE, Suman Foundation’ has won second award in NGO category for both the years, 2008-09 and 2009-10.

Founder and chairperson of PRINCE, Prof. Ajay Chandak has won First award in ‘Individual category’ for both the years 2008-09 and 2009-10. Thank you all for the great support.

Details can be viewed at <http://princeindia.org/aandarchive.htm>

Networking workshop for all stakeholders in renewable energy business: 25th & 26th Jan 2012

At PRINCE we always believed that best strategy for promotion of renewable energy is through entrepreneurs. PRINCE has focus towards low tech technologies which can be adopted by small and medium scale businesses.

There are many prospective entrepreneurs who wish to adopt career in renewable energy and many existing entrepreneurs want to expand their business. This is the first initiative by PRINCE to bring all such stakeholders together and create a countrywide network of manufacturers, traders, installers, marketers' and all kind of service providers so that all can benefit and we also achieve our motive of promotion of green technologies.

A networking workshop is organised by PRINCE for all stakeholders on 25th and 26th January 2012 at Dhule.

Details can be seen at http://princeindia.org/Announcement_networking.pdf

PRINCE Biogas Plants now approved by MNRE

We are pleased to announce that our innovative biogas plants are approved by MNRE. These biogas plants of 1 to 4 CUM capacity will be entitled to fetch subsidy of Rs. 8000/- per plant. In the first phase 100 demonstration plants are to be installed for food waste as well as cow dung systems.

Shirin Gadhia Sustainability Awards

First Shirin Gadhia Sustainability Awards conferred on 19th June 2011.
Prof. Ajay Chandak of PRINCE was one of the awardees.
