Quotation

| <i>Solar Cooker Series</i> | | Usage | Min Qty(PCS) | FOB Price (USD/PCS) | Sample EXW Price (USD/PCS) | Pics |
|--|---|--|--------------|---------------------|----------------------------|---|
| LD-120 | Material : Carbon steel | 1、 Commonly ued in rural area, complete kitchen work like water boil, steam,fry, food boil,etc without instead of fuel, Gas, or electricity. 2、 Help save plenty gas and electricity etc energy, it's economical, convenient and environmental friendly. 3、 Adopt unique combined type and metal structure, possess the feature of advanced design, compact structure, high thermal efficiency, easy operation. 4、 light weight, small in size, high strength of extension. | 1700 | \$22.00 | \$40.00 |  |
| | focal length : 48cm | | | | | |
| | GW : 11kg | | | | | |
| | NET : 10kg | | | | | |
| | Package Dimension : 65*60*10cm | | | | | |
| | Reflective film: Vacuum Alumium | | | | | |
| | Sunny day power : 1200W | | | | | |
| | Temperature:800-1000℃ | | | | | |
| | lighting area : >1.2 m ² | | | | | |
| | Carbon steel thicknesss : 0.5mm | | | | | |
| | Dia : plane skylight 1.2m, stove circle 28cm. | | | | | |
| service life: over 10 years | | | | | | |
| use time to boil 1L water : 20min (summer,China) | | | | | | |
| LD-150 | Material: Carbon steel | 1、 Commonly ued in rural area, complete kitchen work like water boil, steam,fry, food boil,etc without instead of fuel, Gas, or electricity. 2、 Help save plenty gas and electricity etc energy, it's economical, convenient and environmental friendly. 3、 Adopt unique combined type and metal structure, possess the feature of advanced design, compact structure, high thermal efficiency, easy operation. 4、 light weight, small in size, high strength of extension. | 1200 | \$30.00 | \$50.00 |  |
| | Focal length : 60cm | | | | | |
| | GW : 17kg | | | | | |
| | NW : 16kg | | | | | |
| | Package Dimension : 80*70*11cm | | | | | |
| | Reflective film: Vacuum Alumium | | | | | |
| | Sunny day power : 1800W | | | | | |
| | Temperature:800-1000℃ | | | | | |
| | Lighting area : >1.8 m ² | | | | | |
| | Carbon steel thicknesss : 0.5mm | | | | | |
| | Dia : plane skylight 1.5m, stove circle 28cm. | | | | | |
| service life: over 10 years | | | | | | |
| use time to boil 1L water : 15min (summer,China) | | | | | | |
| LD-180 | Material: Carbon steel | 1、 Commonly ued in rural area, complete kitchen work like water boil, steam,fry, food boil,etc without instead of fuel, Gas, or electricity. 2、 Help save plenty gas and electricity etc energy, it's economical, convenient and environmental friendly. 3、 Adopt unique combined type and metal structure, possess the feature of advanced design, compact structure, high thermal efficiency, easy operation. 4、 light weight, small in size, high strength of extension. | 750 | \$45.00 | \$65.00 |  |
| | focal length : 72cm | | | | | |
| | GW : 22kg | | | | | |
| | NET : 20kg | | | | | |
| | Package Dimension : 101*83*12cm | | | | | |
| | Reflective film: Vacuum Alumium | | | | | |
| | Sunny day power : 2200W | | | | | |
| | Temperature:800-1000℃ | | | | | |
| | Lighting area : >2.5 m ² | | | | | |
| | Carbon steel thicknesss : 0.5mm | | | | | |
| | Dia : plane skylight 1.8m, stove circle 28cm. | | | | | |
| service life: over 10 years | | | | | | |
| use time to boil 1L water : 8 min (summer,China) | | | | | | |

Notes:

1. Shipping time: within 30 days after getting the payment.
2. Payment terms: 30% T/T, the balance before shipping.
3. Quotation validity: 30 days

Quotation

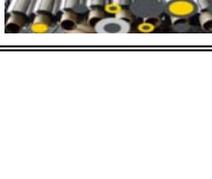

| Solar Oven Series | | Usage | Min Qty (PCS) | FOB Price (USD/PCS) | Sample EXW Price (USD/PCS) | Pics |
|-----------------------------------|---|--|----------------------|----------------------------|-----------------------------------|---|
| High efficiency solar oven PSO-10 | Size: 50*50*25-37cm (min H25cm, max H37cm) Reflector: Anodized Material: ABS plastic+aluminium reflective sheet+ tempered glass N.W.: 7.4kgs G.W.: 10kgs Temperature: 100-180°C Max temperature: 230°C Package: 62*52*40cm of carton 20'container: 250 pcs | 1, Heating: milk, instant noodles, congee, deli, mineral water, sausage and etc. 2, Cooking: grilled chicken, roast meat, eggs, bread, cake, hamburgers and etc. | 250 | \$70.00 | \$80.00 |  |
| Portable solar oven PSO-301 | Material: XPE aluminum-coated film Folding Size: 50*40*3cm Expanding Size: 75(L)*50(H)cm Temperature: 80°C-100°C Max temperature: 120°C N.W.: 0.35kgs G.W.: 0.5kgs Package: 53*42*5CM of woven bag Carton size: 62*52*42cm/ 17 pcs 20'container: 3600pcs | Heating milk, instant noodles, congee, deli, mineral water, sausage and etc | 2000 | \$7.00 | \$10.00 |  |
| Portable solar oven PSO-302 | Material: high spotlight composite board Expanding size: 87*60*33cm Temperature: 60°C-80°C N.W.: 0.5kgs G.W.: 0.61kgs Package: 56*31*3cm of PE bag Carton size: 60*35*60cm/30pcs 20'container: 7000pcs | Heating food outside, convenient to carry. It is suitable for the sunshine strong area. If the sunshine good, the temperature can reach 90 degree or above. | 2000 | \$5.00 | \$8.00 |  |
| Solar BBQ and Cup Series | | Usage | Min Qty (PCS) | FOB Price (USD/PCS) | Sample EXW Price (USD/PCS) | PICS |
| Solar BBQ SBQ-07 | Size: 7*65cm (pipe inner dia 7cm) Reflector: PET reflector (93*50cm) Material: plastic+reflective sheet N.W.: 4kgs G.W.: 6kgs Temperature: 180-300°C Package: 77*32*32cm 20'container: 400 pcs | Baking, drying, dehydrator, frying, barbecuing, boiling, such as roast meat, chicken, potatoes, sweet potato, Hamburg, boiling water, herbs, peppers and other vegetables, drying, currant fruit processing, fried | 500 | \$65.00 | \$135.00 |  |
| Solar cup STB-23 | Size: 7*24cm Capacity: 230ml Reflector: reflector Material: plastic++collector tubes+glass Box size: 11*11*31cm N.W.: 0.8kgs G.W.: 1kgs Temperature: 80-100°C (sunny day) | boiling egg, instant noodles, tea or heating coffee, juice, spring water. | 2000 | \$15.00 | \$40.00 |  |

Notes:

1. Shipping time: within 30 days after getting the payment.
2. Payment terms: 30% T/T, the balance before shipping.
3. Quotation validity: 30 days

Quotation

| <i>Reflective Film Series</i> | | Usage | Min Qty (SQM) | FOB Price (USD/SQM) | Sample EXW Price(USD/SQM) | Pics |
|-------------------------------|--|---|---------------|---------------------|---------------------------|---|
| RF-020A | Size:W50cm*L200m;W1m*L100m, the width as customized Material:PET(polyethylene terephthalate) Vacuum aluminum coated Reflecting rate:≥95% Thickness:0.20mm Weight:0.35kg/sqm Glue and protective film as customized | Home decor, solar cookers, light box lamp, waterproof and insulation for housing, Aquarium decoration, walls, mirrored walls, lights and reflective lightening, concentrated in the area of solar energy heat, warming, fruit colored carpet, wedding ceremony. | 2000 | \$4.00 | \$5.00 |  |
| RF-015A | Size:W50cm*L200m;W1m*L100m, the width as customized Material:PET(polyethylene terephthalate) Vacuum aluminum coated Reflecting rate:≥95% Thickness:0.15mm Weight:0.33kg/sqm Glue and protective film as customized | Home decor, solar cookers, light box lamp, waterproof and insulation for housing, Aquarium decoration, walls, mirrored walls, lights and reflective lightening, concentrated in the area of solar energy heat, warming, fruit colored carpet, wedding ceremony. | 2000 | \$3.50 | \$4.50 |  |
| RF-010A | Size:W50cm*L200m;W1m*L100m, the width as customized Material:PET(polyethylene terephthalate) Vacuum aluminum coated Reflecting rate:≥90% Thickness:0.1mm Weight:0.26kg/sqm Glue and protective film as customized | Home decor, solar cookers, light box lamp, waterproof and insulation for housing, Aquarium decoration, walls, mirrored walls, lights and reflective lightening, concentrated in the area of solar energy heat, warming, fruit colored carpet, wedding ceremony. | 2000 | \$3.00 | \$4.00 |  |
| RF-010UV | Size:W50cm*L200m;W1m*L100m, the width as customized,max width 1m Material:PET(polyethylene terephthalate) Vacuum aluminum coated Reflecting rate:≥85% Thickness:0.1mm Weight:0.26kg/sqm Glue and protective film as customized | With UV,mainly used in outdoor,such as big machine,concentrator system, seaside entertainment equipment,outside design and etc. | 2000 | \$4.50 | \$5.50 |  |
| RF-010 | Size:W2cm*L163m Material:PET(polyethylene terephthalate) Vacuum aluminum coated Reflecting rate:≥90% Thickness:0.1mm Weight:0.26kg/sqm With glue and protective film | LED light | 2000 | \$3.00 | \$4.00 |  |
| RF-005A | Size:W8cm*L500m;W50cm*L200m;W1m*L100m, the width as customized Material:PET(polyethylene terephthalate) Vacuum aluminum coated Reflecting rate:≥85% Thickness:0.05mm Weight:0.18kg/sqm Glue and protective film as customized | Home decor, solar cookers, light box lamp, waterproof and insulation for housing, Aquarium decoration, walls, mirrored walls, lights and reflective lightening, concentrated in the area of solar energy heat, warming, fruit colored carpet, wedding ceremony. | 2000 | \$1.90 | \$3.00 |  |
| RF-005C | Size:W8cm*L500m,the width as customized Material:PET(polyethylene terephthalate) Vacuum aluminum coated Reflecting rate:≥85% Thickness:0.05mm Weight:0.18kg/sqm With glue and protective film | solar cooker | 2000 | \$1.90 | \$3.00 |  |
| RF-005 | Size:width 50cm*length 5m Material:PET(polyethylene terephthalate) Vacuum aluminum coated Reflecting rate:≥85% Thickness:0.05mm Weight:280g/carton Without glue and protective film Package:26*20*5cm/1pc with color carton | garden, flower room, greenhouse, orchard | 1000 | USD2.5/ctn | USD4/ctn |  |
| RF-0012 | Size:W1.5m*L100m,the width as customized Material:PET(polyethylene terephthalate) Vacuum aluminum coated Reflecting rate:≥80% Thickness:0.012mm Weight:0.0167kg/sqm 3.15kg/roll Without glue and protective film | plastic film, farm, warming, fruit coloring, waterproof and insulation for housing, the grass planting, first aid insulation blanket | 2000 | \$0.17 | \$0.30 |  |
| RF-0008 | Size:W1.5m*L100m,the width as customized Material:PET(polyethylene terephthalate) Vacuum aluminum coated Reflecting rate:≥80% Thickness:0.008mm Weight:0.0113kg/sqm Without glue and protective film | plastic film, farm, warming, fruit coloring, waterproof and insulation for housing, the grass planting, first aid insulation blanket | 2000 | \$0.18 | \$0.35 |  |

Notes:

1. Shipping time: within 30 days after getting the payment.

Quotation

| Smoke products | | Usage | Min Qty(PCS) | FOB Price (USD/PCS) | Sample EXW Price(USD/PCS) | Pics | |
|--|---|---|---|----------------------------|----------------------------------|-------------|--|
| smoke bomb S-30A/YWD-30S | Material: ABS temperature: -30 + 65°C Validity: 3years Color: Red, orange, yellow, blue, green, white, purple Weight: 80grams Size: 102mm*68mm Smoking time: >15S Way: metal TAB Ctn size: 49*49*26cm/200pcs | Smoking Usage: CS confrontation, film and television production, scene rendering and etc. Without excitant odour, simple operation, long smoking time; Military level metal TAB, with excellent results. This smoke bomb is specially for the export, exquisite appearance, real handfeel, it can better promote the players enter the field condition, render real scene atmosphere! Without excitant odour, simple operation, long smoking time; Military level metal TAB, with excellent results. | 2,000 | \$4.00 | \$8.00 | | |
| smoke bomb S-30C/YWD-90S | Size: H150mm*D38mm Smoking time: 70-90 seconds Color: Red, orange, yellow, blue, green, white, purple Weight: 121G(ca.) Validity: 3years temperature: -30 + 65 Smoking Way: metal TAB Smoke volume: two or three thousand cubic Size 45*45*30CM/200PCS | Ctn Usage: CS confrontation, film and television production, scene rendering and etc. Without excitant odour, simple operation, long smoking time; Military level metal TAB, with excellent results. This smoke bomb is specially for the export, exquisite appearance, real handfeel, it can better promote the players enter the field condition, render real scene atmosphere! Without excitant odour, simple operation, long smoking time; Military level metal TAB, with excellent results. | 2,000 | \$2.00 | \$4.50 | | |
| hand flare S-60 | size: length 30.4cm*dia 3.8cm smoke time: 40s color: red, yellow, blue, green, Orange and purple weight: 133g smoke method: electronic buttons, without battery | Usage: Game, party, festival and etc. It is more beautiful effect with hand waving or running. | 1,000 | \$2.00 | \$6.00 | | |
| helmet smoke S-10A | size: H4"DIA 2.2cm-big H4"DIA 2cm-medium H4"DIA 1.8cm-small color: red, blue smoke method: electronic buttons, (1.5V above current) weight: 3.3g | smoke time: 3-5s Usage: signal indication, such as hit testing, real person death signal in CS or real person helmet in CS, small airtight container test. | 1,000 | \$2.00 | \$4.00 | | |
| firedrill smoke S-3500 | Size: H13cm*D9cm Smoking time: 3S Color: red, yellow, white Smoke volume: two or three thousand cubic Weight: 500g | Usage: firedrill, sealing test, air flow test and etc. Safe non-toxic, without excitant odor, much smoke, simple operation, no pollution, long smoking time. | 2,000 | \$14.00 | \$28.00 | | |
| Smoke Generator | | Usage | Min Qty(SET) | FOB Price (USD/SET) | Sample EXW Price(USD/PCS) | Pics | |
| smoke generator LD-751 | smoke output rate: 300 cubic feet/min specifications: 1.22.7*W6.6*H 8.1cm power: 75W first preheat temperature time: without temperature machine capacity: 110c.c batteries specifications: DC 12V/2.3Ah fuel consumption rate: 2 c.c/min weight: 1.8 kg (body and battery), 5.5 kg (flight box, battery, charger and smoke oil a tank) continued spray smoke time: 10-12min (full battery) | Usage: small air flow test, small demonstrations, party scene rendering, biotechnology laboratory, laboratory testing equipment, school bus, bus fire drill, outdoor photography and etc. | 100 | \$600.00 | \$700.00 | | |
| air purifier demonstrator LD-4001 | size: 23*17.5*8.2cm capacity: 300c.c height: 1-2m material: stainless steel AC110V/AC220V 60/50Hz consumption rate: 60ml±0.3L preheating time: 5min smoke output duration: 1-2min Output speed: 2000 c.f./min | weight: 2kg spray power: 400w voltage: Fuel Max | Usage: Air purifier /PM2.5/Suction test/Haze/Air purifier demonstration of smoke Purifier demonstration instrument/Haze demo props/Smoke demonstrator/Principle of the smoke generator/Simulation of smoke device. You can operate by remote control or manual. It is different from normal water spray machine. LD-4001 using higher technology makes oil into 1-5 micron particles, forming white dense smoke what we can see in the picture. The particles is small, suspended in the air, with an excellent demonstration. The oil meets international food levels, smaller particles, smoke dense, safe non-toxic, residue-free. You can use it in stores, large shopping centers, general stores. | 100 | \$80.00 | \$120.00 | |
| smoke generator YWQ-90 | size: 23*17.5*8.2cm weight: 2 kg capacity: 160c.c spraying height: 1m power: 90W material: stainless steel voltage: AC220V fuel consumption rate: 1.2 c.c/min preheating | without | Usage: small firedrill, firm, greenhouse ventilation test, air flowing test, laboratory test, car and vessel low speed wind tunnel test, pipeline leak detection, model smoke rendering and etc. (1) manual operation, remote control, sustainable smoke. (2) smoke and stop at any time, without preheating. (3) smoke vivid, excellent results. (4) The oil has reached the international grade level, smaller particles, thicker smoke, safety, avirulent, environmental. It can be easy used in stores, shopping malls, supermarket. | 100 | \$100.00 | \$150.00 | |
| steamer smoke generator YWQ-90G | size: H16*D27.5cm weight: 3.26kg capacity: 160c.c power: 90W material: stainless steel voltage: AC220V DC12V fuel consumption rate: 1.2 c.c/min preheating | net without | Usage: range hoods, integrated environmental protection cooker, air purifiers' suction test and demonstration effect. (1) portable product, including batteries, batteries can be used alone for 30 min. (2) manual operation, remote control, sustainable smoke. (3) smoke and stop at any time, without preheating. (4) smoke vivid, excellent results. (5) The oil has reached the international grade level, smaller particles, thicker smoke, safety, avirulent, environmental. It can be easy used in stores, shopping malls, supermarket. | 100 | \$150.00 | \$220.00 | |
| fog machine YWQ-1500D | smoke output rate: 20,000 cubic feet/min specifications: 1.56.1*W27.8*H18.6cm power: 1500W first preheat temperature time: 11min capacity: 6L voltage: AC120V/AC230V 60/50Hz fuel consumption rate: 1L/8.5min weight: 14KG continued spray smoke time: 20hour (full battery and oil) wireless remote control | | Usage: large fire exercises, products promotion, detection leak, box detection, plant detection, pipeline detection, ventilation device detection, video production, party scene rendering, stage smoke and etc. | 20 | \$1,900.00 | \$2,750.00 | |
| water mist generator SWQ-1200 | size: 82*46*73cm net weight: 46kg consumption rate: ≥12kg/h 20L area (layer height 2.6m): 120-150m² 610m³/h voltage: AC220V 50Hz fusing current: 20A method: chip power: 1000W diameter (µm): 1-5 material: stainless steel without preheating | water capacity: suitable Circulation air volume: water moist volume: manual control control spray | Usage: research LABS, clean room or dust-free workshop/air flow test, such as semiconductor, hospital, pharmaceutical factory, food factory and etc. (1) internal adopts integrated chip (2) full braking control (3) smoking soft like water running (4) water mist particle tiny, fog particles only 1-5 microns diameter (5) high atomization, indoor condensation rate above 95% (6) bottom with wheel, it can move freely | 20 | \$1,100.00 | \$2,000.00 | |

Quotation

| <i>Signal Gun Series</i> | | Usage | Min Qty(KG.L) | FOB Price (USD/KG.L) | Sample EXW Price(USD/KG.L) | Pics |
|---------------------------------|--|--|---------------|----------------------|----------------------------|---|
| Fire Gun | size:1.25*W11*H2.5cm G.W.:3KG box size:35*28*10CM with two bullets | ouffire | 100 | \$100.00 | \$150.00 |  |
| <i>Smoke Oil and Dye Series</i> | | Usage | Min Qty(KG.L) | FOB Price (USD/KG.L) | Sample EXW Price(USD/KG.L) | Pics |
| Y-50(500ml) | ①High quality smoke oil won't affect the machine life, won't because the impurities carbide caused electric heat pipe blockage of smoke generator, And will not endanger human body health, safe environmental protection.The oil can make smoke generator best effect. | Used for LD-4001. C13-YW-1500D. LD-751 smoke generator. Using advanced environmentally friendly distilling recipes, high purity, high concentration, the consumption level of safety and environmental protection, and stays in the air longer | 240L | \$15.00 | \$18.00 |  |
| Y-50(6L) | ②Using the edibility formula, odourless insipidity, without excitant, safe non-toxic, no residue and the sex, very environmental protection, not only can extend the machine life,but also will not harm human health. ③It can make high density and long lasting smoke. | | 240L | \$50.00 | \$65.00 | |
| SD-A | Colors: red, yellow, blue, green, orange purple and white | Mainly used in the smoke effects, such as movie stunt, military exercises, flight performance,signal indication, fireworks and etc. After adding oxidant, it can smoke directly, without adding other ingredients,with gorgeous colour. The ratio of Dye and oxidant: Yellow 1:0.56 White 1:0.54 Red 1:0.49 Orange 1:0.49 Purple 1:0.5 Green 1:0.47 Blue 1:0.45 | 500KG | \$22.00 | \$30.00 |  |
